

April 26, 2021

Brothers,

I hope that this letter finds you well and that you and your family are continuing to enjoy our extended Eastertide – celebrating Easter Sunday (His Resurrection) every week until Pentecost Sunday!

I am pleased to enclose the first Annual Report from the Catholic Men's Leadership Alliance (CMLA). While brief, it demonstrates God's grace through what we were able to accomplish in 2020 and also provides a strong and hopeful look ahead to our significant opportunities in 2021.

Yet, none of what CMLA has achieved nor what we are poised to accomplish this year would be possible without YOU. Your faithful financial support as a CMLA investor is reaping a great return! Thousands of men across North America are developing stronger faith and living more fully for Jesus Christ.

So on behalf our CMLA leadership across the United States and Canada, we send you a thousand thanks and look forward to our continuing partnership as together we work to make a reality of "His Kingdom come, His will be done" in men's lives, in families, in the Church and in our culture.

May the faith, hope and love found in our Lord Jesus Christ keep you and your family in every circumstance! Said St. Francis of Assisi, "We start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible."

Onward & Upward,

Robert Tunmire
